The Chinese delegation of the **Bureau of Beijing International Horticultural Exhibition** and of institutional representatives from Beijing's Municipality was in an official mission last week at the **Only Italia** space of **Aqueae Venezia**. Consistently with the central topic of the Universal Exposition 2015, during the Round Table Italy and China discussed about **biological agriculture, environmental sustainability** and **global development of the fruit & vegetable industry**.

The Chinese delegation highlighted in particular the "Beijing International Horticultural Expo" project, a great exhibit being held in 2019 in Beijing and centred on such themes, fundamental for the future of the planet. The Chinese entrepreneurs showed a big interest in the activities illustrated by **Only Italia Tech & Trade**, the Only Italia department operating in the technology and innovation sector with the aim of promoting international cooperation projects. Next meeting will take place in China, in view of a possible cooperation for the Beijing Expo.
