Irene Pivetti with the Chinese artist Lin Mingde

ONLY ITALIA is protagonist at AQUAE VENEZIA – EXPO 2015 with a big area dedicated to The Silk and Spice Route: an over 600 square meter space, an elegant and evocative setup that is the visual synthesis of a constant interaction between people, cultures and innovative technologies aimed at promoting Italianity in the world.

The ONLY ITALIA stand represents the meeting point between Orient and Occident: Water, Energy, Spirituality, Vibrations, Music, Nature, Territories. Visitors will be involved in theatre, fashion, art, enterprise, research, innovation experiences and much more. Matching events, B2B encounters, business meetings. «If Marco Polo tracked the Silk and Spice Route, ONLY ITALIA is contemporary expression of it». So Irene Pivetti explains the pavilion's concept.

The ONLY ITALIA pavilion will host companies, national and multinational enterprises, cultural institutions, seminars and conferences, enhanced by influential contributions from several foreign Countries: Europe and the Eurasian continent, the Transoceanic Americas and China are among the great protagonists of the XXI century. A multimedia and innovative space, dedicated to cultural and business exchanges, so as it was in the tradition of the Silk Route, which in the centuries has traced a path still telling us of travels, encounters, trades.

ONLY ITALIA is the first business and distribution platform in Italy supporting small and medium enterprises for export towards foreign markets. Born in 2011 from an idea of Irene Pivetti, ONLY ITALIA is an enterprise network bringing together around 2000 SMEs from various market sectors and spread over the all national territory. ONLY ITALIA is also a brand registered in Italy and abroad, regulated by an SGS protocol.
